

Sparkle & Shine Dance Spring Showcase 2023

1pm Sunday Matinee Team Show Run Order

- Please note that regardless of order, your dancer is required to stay throughout the duration of our show! They will be kept in a safe changing room environment with trusted backstage parents!
- ALL TEAM MEMBERS must return to the stage 15 minutes following our finale, for our Senior Farewell presentation. This year, we are allowing a 15-minute break between the conclusion of our show and our senior/awards presentation, so that dancers can say hello to their families, take pictures, etc. This will allow family and friends who would prefer to not sit through this portion of our event, to leave while still getting the chance to congratulate their dancer!
- We must follow strict pick up and drop off protocols to ensure the safety of all children. Please see below for details!
