## Spring Showcase Week Flower Order Form

Each year we support another small business through the sale of gorgeous flowers for our dance families to gift after a job well-done at our spring showcase!

**We have 6 options to choose from this year!**

The "Single Rose" option is wrapped in paper, tied with string and includes one rose with greenery!

The "Mini Bouquet" option will be a mutli-color, florist's choice bouquet perfect for your dancer!

The "Little Pink Me Up" is an array of pinks, greens and whites for the Ballerina in your life!

The "Sunflower Sensation" highlights beautiful sunflowers, greenery and all things yellow!

Go big and bold with a dozen roses of your color choosing!

The "Dancers Choice" option allows you to indicate color, and price point while allowing Bantam Blooms to create something beautiful and a bit larger than our two other options. Please use \$5 increments from \$15 and up!

Please note if you would like a BLANK CARD or leave message for card below in notes section!
